# TRADES DAY

A DAY FOR CAREER EXPLORATION

EVENT PARTNERS:

## INVEST IN THE NEXT GENERATION

### *Inspire New Career Pathways*

Trades Day introduces high schoolers to industry career opportunities in construction, design, sub-contracting, heavy equipment, engineering, and other skilled trades.

### *Empower Youth to Pursue*

We hope you—our partners from the trades, industry, training and post-secondary programs, and others—will join us to inspire local students to pursue careers in construction.

Bring a hands-on activity for students to explore all the industry has to offer; teach them how to swing a hammer, try their hand at mixing cement, scale a wall for roofing, or throw on some PPE and get them welding. Anything to get their hands and minds moving! Take part in an exciting opportunity to pass along what excites you about your profession.

*Where Industry Meets the Classroom*

REGISTER NOW

Please contact Amanda Andersen, Caltrans D2 District Small Business Liaison with any registration questions: [d2smallbusiness@dot.ca.gov](mailto:d2smallbusiness@dot.ca.gov)

### MILL SITE REUSE PUBLIC WORKSHOP

## City of Fort Bragg to Host

Post Date: 02/18/2025 4:35 PM

City of Fort Bragg to Host Public Workshop on Mill Site Reuse February 18, 2025; Fort Bragg, CA - The City of Fort Bragg reminds the community of an upcoming Public Workshop on Tuesday, February 25, at 5:00 PM at Town Hall, with the formal meeting beginning at 5:30 PM. This in-person event is a key opportunity for residents to actively participate in shaping the future reuse of the Mill Site property. While the meeting will be live-streamed on the City's website, Facebook, and Channel 3 for viewing, there will be no Zoom option—meaning in-person attendance is the best way to engage directly, ask questions, and provide input.
